

Portland Metro Beekeeper Association 2021 Bulk Nuc Purchase

This year we will be buying 400 nucs from Foothills Honey Company. These are 5 frame nucs and they usually come in a cardboard box that you keep. These bees come from George Hansen and his sons and are located in Colton Oregon. We sell out every year, so order early. We can't get more.

Nucs must be ordered and paid for by March 20th 2021

The cost is \$130 per nuc to club members only if paying by check.

If paying with PayPal, you will cover the PayPal fee, so cost is \$135 each.

Make checks payable to PMBA

Resale of Nucs is prohibited. If you need more than 10, it must be approved by the Board.

Mail to PMBA, PO Box 158, Gladstone OR 97027

No verbal or written holds without payment.

Nucs will be ready for pickup around the 1st week of April, most likely April 3rd depending on conditions. We will call or email you the exact day and time a few days ahead of time. The pick up site for these nucs will be at Foothills Honey Company, 30567 S. Oswalt Rd. Colton OR 97017. If you are not able to pick up your nucs at the appointed time and place, you must make arrangements to have someone pick up for you.
